

Donor Committee for
dual Vocational Education & Training
(DC dVET)

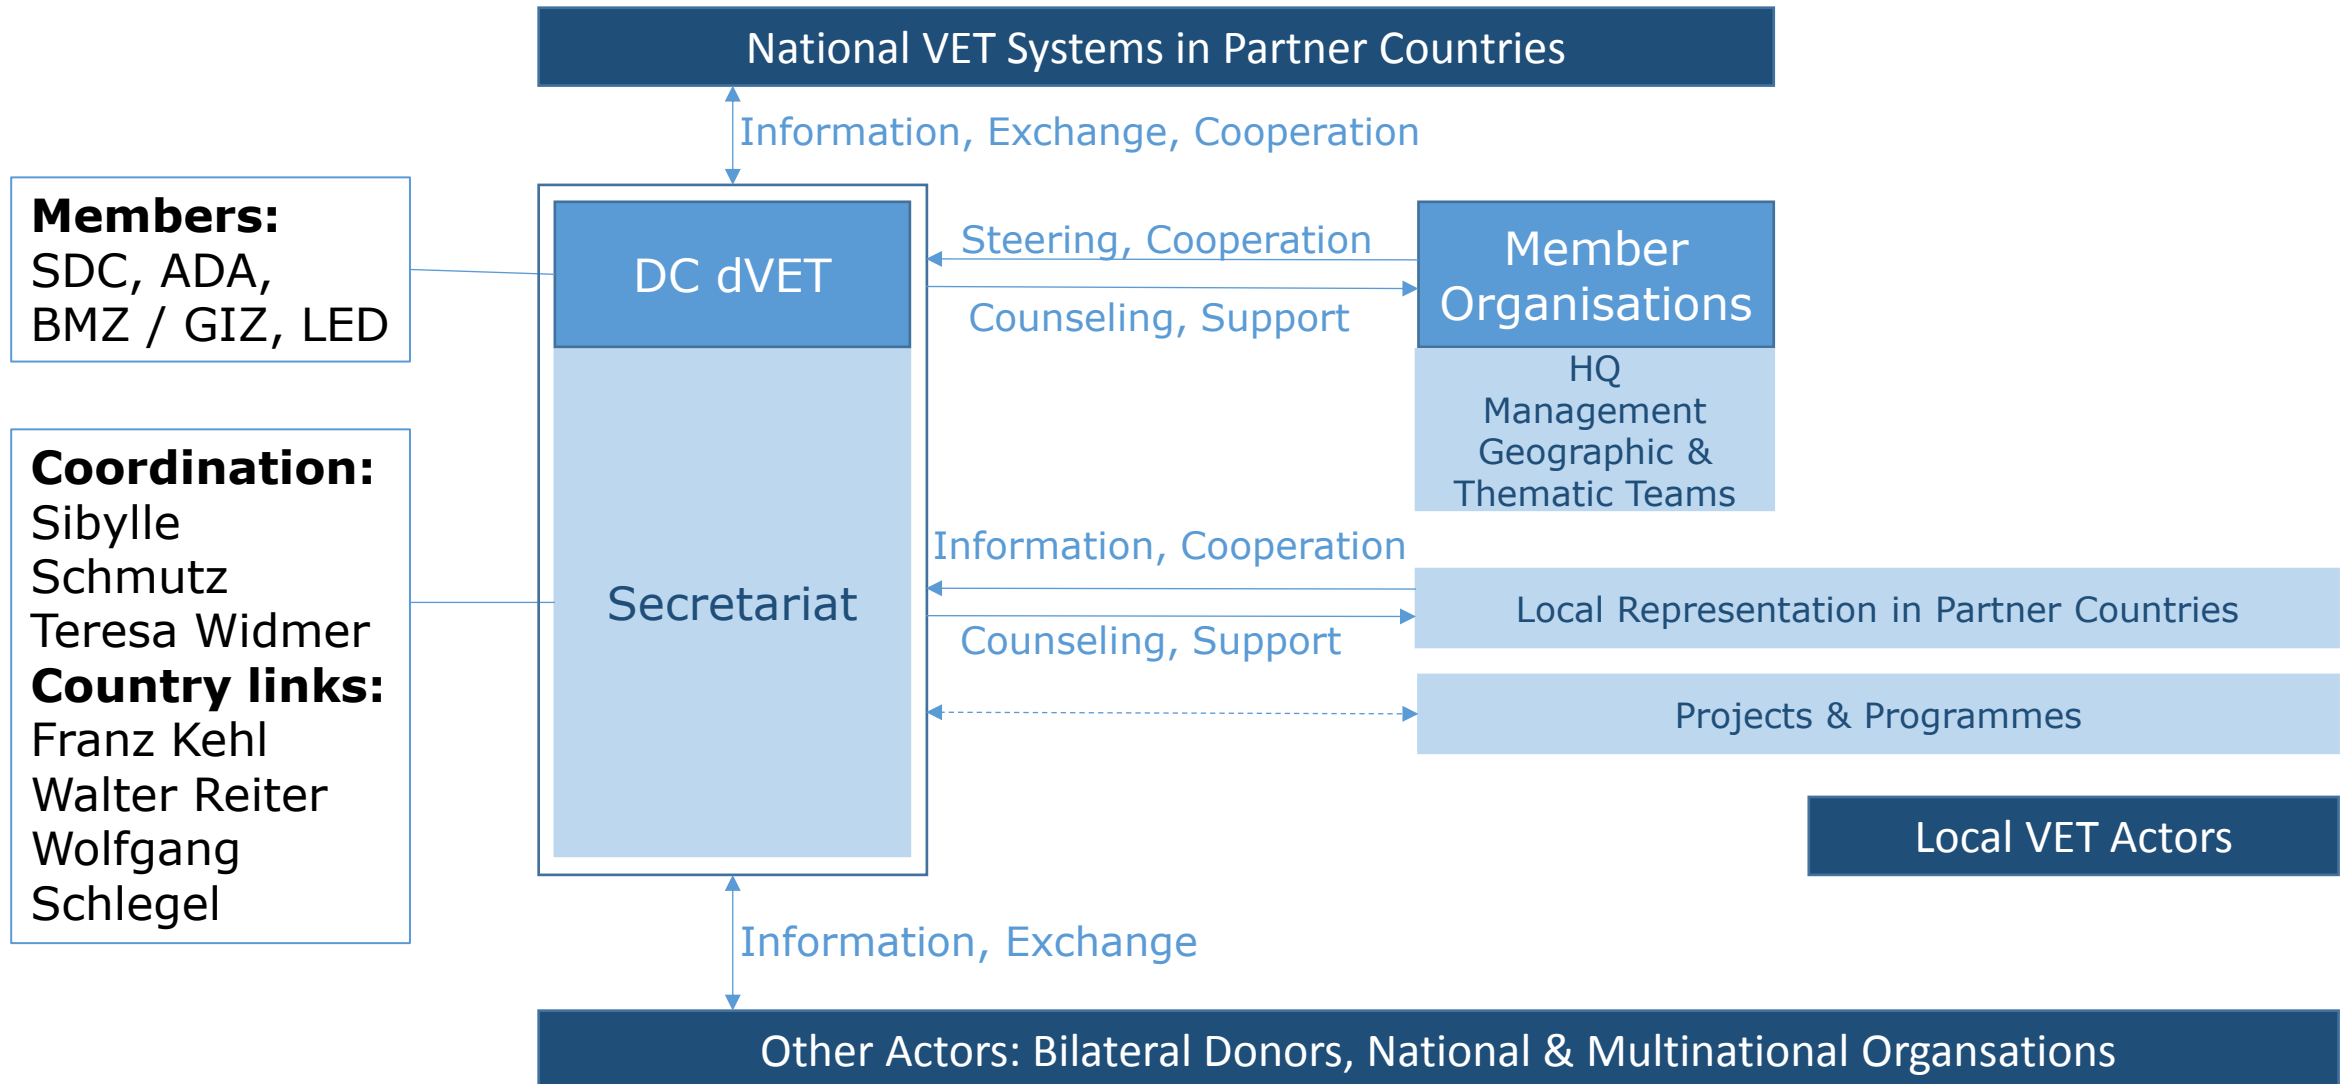

Vision & Goals of the DC dVET

- Fostering **common understanding** of dual VET in development cooperation
 - Providing a **platform for practitioners** in member and partner countries to connect, exchange, discuss and develop on issues of specific interest
 - Elaborating and/or **documenting** key literature, project/programme portfolio, case studies etc.
 - Promoting **joint actions** among its members on international and partner country level.
- Contributing to more and better VET interventions which ultimately contribute to individual, social and economic development, and therefore to poverty reduction.

Working modalities

- **Webpage:** main external communication platform
- **Knowledge and Exchange Platform:** cooperative working, learning and documentation
- **Face to face events:** meetings, seminars, workshops, trainings etc.
- **Public events:** organisation of own event, participation in key events

Organisational structure
